Kammgarn Spinnerei Pfaffendorf (Pfaffendorf Worsted Spinning Mill)

Furnishes worsted wool and cellulose to spinning mills. Suffered a moderate amount of war damage. All production records were burned.

	No of Employees (one shift per day)
1936	1,450
1944	445
1946	56
1947	79
1948	89

Kammgarnspinnerei Lugau (Lugau Worsted Spinning Mill)

Furnishes wool and cellulose worsted yarn and carded wool to weaving mills making hosiery, knitwear, and dress goods. Plant suffered slight war damage.

	Production (kg)	No of Employees (av 45-hr wk)
1936	597,646	641
1944	334,524	348
1946	348,660	812
1947	370,140	877
1948	433,993	673

Distribution of production (in percent):

	To Soviet-Controlled Plants	For General Consumption	For Export
1947	32	68	--
1948	13	86.64	0.33

Strickgarn Spinnerei America (America Knitting Yarn Spinning Mill)

This plant, which furnishes yarn to textile mills, formerly belonged to T. G. Schmidt, Jr, and Sons, Inc, Altenburg-Kottwitz. It suffered no war damage.

Production (in tons): 1947, 477.8; 1948, 879.6.

Employees work shifts of 30 and 22½ hours.

Distribution of production (in percent):

	Indirect Reparations	To Soviet-Controlled Plants	For General Consumption	For Export
1947	13.4	32.9	37.7	16.0
1948	--	28.0	66.3	5.7

Kammgarnspinnerei Marienthal (Marienthal Worsted Spinning Mill)

This plant furnishes mainly cellulose worsted and carded yarns to weaving, knitting, and hosiery mills. The plant suffered slight war damage.

	Production (kg)	No of Employees (work is from 0600 to 2200 presumably in 2 shifts?)
1936	No data	253
1944	No data	650
1946	356,700	426
1947	311,110	345
1948	423,070	308

In 1947, 98 percent of the output went for indirect reparations and 2 percent for general consumption. In 1948, the entire output was for general consumption.

Kammgarnspinnerei Schedewitz (Schedewitz Worsted Spinning Mill)

Furnishes worsted and carded yarns to textile mills. No war damage.

	Production (kg)	No of Employees (shifts of 6 $\frac{1}{2}$ , 7 $\frac{1}{2}$ , and 8 hr)
1936	4,404,033	1,612
1944	1,020,301	595
1946	7,720,043	928
1947	1,261,549	1,449
1948	1,886,445	1,311

In 1947, 1948, and 1949 [figures not available for latter year] the entire output went to Soviet-controlled plants.

Thuringer Kammgarnspinnerei Eisenach (Thuringen Worsted Spinning Mill, Eisenach)

Furnishes cellulose worsted yarns to weaving and knitting mills. Suffered slight war damage.

	Production (kg)	No of Employees (1 or 2 shifts)
1936	1,068,000	880
1944	Shut down	--
1946	381,500	547
1947	330,000	622
1948	496,300	681

In 1947, the entire output went for indirect reparations.

Thuringer Kammgarnspinnerei Muehlhausen (Thuringen Worsted Spinning Mill, Muehlhausen)

Furnishes worsted yarn, made entirely or partly of cellulose, to weaving and knitting mills. No war damage.

	Production (kg)	No of Employees (by shifts)
1936	1,033,788	666
1944	435,530	306
1946	251,146	266

In 1947, the entire output went for indirect reparations. In 1948, 70 percent went for indirect reparations and 30 percent for direct reparations.

Kammgarnspinnerei an der Werra (Worsted Spinning Mill on the Werra)

Furnishes cellulose worsted yarns to weaving and knitting mills. No war damage.

	<u>Production (tons)</u>	<u>No of Employees (48-hr wk)</u>
1936	1,780	1,221
1944	278	378
1946	524	724
1947	752	988
1948	833	1,157

In both 1947 and 1948 the entire output went for general consumption.

Mitteldeutsche Kammgarnspinnerei Markkleeberg (Central German Worsted Spinning Mill, Markkleeberg)

Subsidiary of Mitteldeutsche Kammgarnspinnerei in Leipzig, listed below. Output is included in figures for the Leipzig plant. The Markkleeberg plant suffered no war damage.

	<u>No of Employees (48-hr wk)</u>
1936	743
1946	696
1947	667
1948	698

Mitteldeutsche Kammgarnspinnerei Leipzig (Central German Worsted Spinning Mill, Leipzig)

Produces wool or cellulose yarns. Plant suffered about 30 percent war damage.

	<u>Production (tons), Including Plant in Markkleeberg</u>		<u>No of Employees (48-hr wk)</u>
	<u>Worsted Yarns</u>	<u>Yarns for Hand Knitting</u>	
1936	2,738	653	2,083
1944	423	79	813
1946	980	65	1,407
1947	1,534	97	1,474
1948	1,378	71	1,703

In 1947, 19 percent of the output went to Soviet-controlled plants and 81 percent for general consumption. In 1948, 67 percent went to Soviet-controlled plants, 15 percent for general consumption, and 18 percent for export. In 1949 [production figures not available], 42 percent went to Soviet-controlled plants, 49 percent for general consumption, and 9 percent for export.

Strick- und Kamagarnspinnerei Werden, Sachsen (Werden Worsted and Knitting Yarn Mill, Sachsen)

Production is almost entirely cellulose yarns which are furnished to textile mills. Plant suffered no war damage.

	<u>Production (kg)</u>	<u>No of Employees (35- hr wk)</u>
1936	854,304	450
1944	438,655	201
1946	543,020	407
1947	401,798	506
1948	474,678	470

Barthauer Kamagarnspinnerei (Barthau Worsted Spinning Mill)

Produces wool and cellulose worsted yarns. Suffered moderate war damage.

	<u>Production (tons)</u>	<u>No of Employees (18- hr wk)</u>
1936	501	425
1944	419	191
1946	390	353
1947	472	455
1948	527	460

In 1947, 12 percent of the output went to Soviet-controlled plants, 76 percent for general consumption, 6 percent for indirect reparations, and 6 percent for export. In 1948, 11 percent went to Soviet-controlled plants, 73 percent for general consumption, 5 percent for indirect reparations, and 11 percent for export.

Kamagarnspinnerei und Faerberei Crimmitschau (Crimmitschau Worsted Spinning Mill and Dyeing Works)

Furnishes cellulose wool yarns to textile mills and machine shops. No war damage.

Figures on production not available. In 1947, 65 percent of the output went for indirect reparations and 35 percent for general consumption. In 1948, 60 percent went for indirect reparations and 40 percent for general consumption.

	<u>No of Employees (40-hr wk)</u>
1944	105
1946	146
1947	142
1948	29

Meerania Wolle (Meerania Wool)

Produces wool and cellulose worsted yarns for textile mills, and yarns for both hand and machine knitting. No war damage. Up to June 1946, the plant formed a part of a larger concern, Bernhardt Schmidt.
